RULES FOR SQUASH LEAGUES

- The playing period will normally be 1 month. The sheets will be removed on the evening of the last day.
- Matches will be best of five, conventional scoring. League points will be scored as follows:
 - Score **one** point for playing the match
 - Score **one** point for each game won
 - Score **one** point for winning the match
 - Score **three** points for playing all your matches
- Please do not make alterations/additions to the leagues other than name corrections. See explanation of how to challenge in or join the leagues.
- If you cannot complete all of your matches in the time period due to illness or injury, the points for all of your matches will be void. Please indicate "injured" against your name.
- If you contact an opponent who is unable to play on any reasonable date and time which you have offered, it is then up to your opponent to make and offer alternative arrangements. If no return contact is made you can claim the points by marking the score with "P". You can not claim points if no direct contact has been made with your opponent.
- Please be aware of any new SRA rules which may be posted on the notice board from time to time.
- Generally, the top two players will be promoted from each league and the bottom two relegated. The exception will be promotion from league 1 where one player will be promoted. This general rule may be varied by the organiser if there have been a number of successful challenges in any one league period.
- In the event of players finishing on level points the following criteria (in the order given) will decide the order of finishing:
 - fewer points conceded
 - result of the match between the two players
 - pot luck - league organiser decides!

The following members are entitled to a free drink at the bar for winning last months leagues

Dave Smith
Chris Parkin
Bob Griffin
Kirk Parker
Geoff Barnes
Paul Blamey
Simon Tai
Andy Ingham
Dave Spain

Challenge In

NAME	CHALLENGE 1	CHALLENGE 2	CHALLENGE 3
